

DRAINAGE CCTV RIG LEADER

We have an opportunity for a skilled Drainage CCTV Rig Leader to join our growing drainage team. We specialise in providing comprehensive drainage solutions to our clients. As a part of the team, you'll be working from a state-of-the-art, fully equipped van to conduct CCTV surveys of drainage systems.

Salary: Depending on experience

- Overtime and enhanced rates for any hours worked outside of standard shift pattern.

Location: Can be based anywhere in the South East/East Regions

Contract Type: Permanent, Full Time

Contract: 50 hrs per week, 21 days holiday and bank holidays

Hours of work:

- Monday to Friday
- Shifts from 6:00 am to 4:00 pm (10-hour shift)
- Shift times may vary as there can be a requirement to work nights.

Main Duties

As a Drainage CCTV Rig Leader, your responsibilities will include:

- Conducting CCTV surveys of drainage systems
- Assessing the condition of pipes
- Analysing survey results
- Generating high-quality reports

Key Responsibilities:

1. Team Leadership:

- Delegate tasks and responsibilities to ensure efficient operation and completion of projects.
- Working as part of a team, whilst liaising directly with customers and managers to discuss findings, organising work onsite and proactively solving queries/issues.

2. CCTV Inspection Operations:

- Oversee the setup and operation of CCTV equipment to capture footage and images of drainage systems.

3. Data Analysis and Reporting:

- Review and analyse CCTV footage and data to identify defects, blockages, or other issues within drainage networks.
- Document findings, recommendations, and repair requirements.

4. **Health and Safety Compliance:**

- Promote a culture of safety within the team, ensuring adherence to health and safety guidelines and regulations.
- Identify and mitigate potential risks associated with drainage CCTV operations.

Requirements

To be considered for this position, you should have:

- Previous experience in performing Drainage CCTV Surveys (min 1 year)
- CSCS certification (required)
- OS19X certification (required)
- HADDMS Experience (desirable)
- A valid Full UK Driving Licence (required)
- Confined space (desirable)
